PROFILE

I am an enthusiastic and motivated Computer Science student with a solid background in programming. I have good knowledge in Java, HTML, CSS, and DBMS through my coursework and academic training. I have built analytical and problem-solving abilities. I am eager to contribute to innovative software solutions in a dynamic tech environment.

EDUCATION

Kalasalingam Academy of Research and Education, Krishnan Koil

2022 – 2026

Bachelor of Technology in Computer Science and Engineering (CGPA – 8.56/10.0)

[Virudhunagar, T.N.]

Sri Chaitanya Junior College

2022

Pre-University Course (Percentage: 971/1000)

[Vijayawada, A.P]

SKILLS AND INTERESTS

- **Technical Skills:** Java, DSA in java (Basics), HTML, CSS, JavaScript (Basics)
- **Areas of Interest:** Full-stack Developer
- **Academic CourseWork:** Operating Systems, Computer Networks
- **Soft Skills:** Peer Learning, Mentoring, Interpersonal communication, Motivating & Encouraging
- **Languages:** English, Telugu, Tamil (Moderate)

PROJECTS

Leveraging AI to Curb Toxicity in REDDIT Platform interactions

- Developed an algorithm to mask toxic comments on the REDDIT platform.
- Prevents users from posting toxic comments and provides a real-time display of the toxicity percentage.
- **Technologies Used:** Python.

FARM VEDA

- Built an online platform for farmers and merchants, allowing them to conveniently list their produce and set market-driven prices.
- Implemented a dual-registration system allowing users to sign up as either producers (farmers) or consumers (merchants).
- **Technologies Used:** HTML, CSS, JavaScript.

Enhancing AI to identify criminals in public surveillance

- Created a web-based surveillance tool for cybercrime officers to identify and track escaped criminals using real-time location data.
- Integrated a secure database to store and retrieve criminal records, improving operational efficiency in criminal tracking.
- **Technologies Used:** Python, Flask.

CERTIFICATIONS

- **DATABASE MANAGEMENT SYSTEMS:** Completed all the lessons in DATABASE MANAGEMENT SYSTEMS provided by Codechef.

EXPERIENCE

- No Experience [Fresher]

POSITION OF RESPONSIBILITY

GeeksForGeeks (GFG)

- Organized by team GFG-KARE and one of the volunteers in the club.
