CAREER OBJECTIVE

In the fast-paced world of planning or QS (Quantity Surveyor), I thrive on staying positive and love learning. I'm dedicated to improving my skills and keeping up with the newest software and techniques. I'm eager to help with projects, work together with teams, and really make a difference for the company.

WORK EXPERIENCE

Greater Hyderabad Municipality

Quantity Surveyor

August 2022 - May 2023, Phoolbagh,Hyderabad

- Conducted estimates for road works, desilting, jungle cutting, and tendering within the Greater Hyderabad Municipal Corporation (GHMC).
- This role involved accurately assessing the costs and resources required for various projects related to road maintenance, clearing of water bodies, and vegetation management.
- I diligently analyzed the scope of work, considered relevant factors such as materials, labor, and equipment, and provided reliable estimates to support the decision-making process.

Telangana Academy of Skill Development and Knowledge

Management Trainee

November 2023-Present,Masab Tank,Hyderabad

- Exceptional **training delivery in technical skills** for students.
- Conducting engaging **awareness programs** on various subjects.
- Coordinating **government initiatives** with efficiency and dedication.
- Assisting in **placement activities** and technical drives when required.

INVOLVEMENT

PGD and PMI

Student Member

August 2021 - March 2022

- I learned courses such as **Project Planning and Control, Construction Cost Estimation and Budgeting, Construction Contracts and Legal Aspects, Quality Management in Construction, and Operation Management in Construction.**
- I have also gained proficiency in utilizing **Primavera P6 and Microsoft Project** software tools for enhanced project planning, scheduling, and monitoring.
- Student Member of pmi.org, dfi.org and Plumbing Association**

Matrusri Engineering College Club and WithyouOrg

Student Member/Volunteer/Coordinator

July 2017 - March 2021

- Awarded with Certificate of Merit for standing in **2nd position** in National Science Day celebration held in Matrusri Engineering College, 2017.
- Awarded with Certificate of Participation for '**Abhiigyaan 2k18**' project expo held at Matrusri Engineering College.
- Awarded with **Certificate of Merit and prize money** for standing in 1st position in BEST IN BUDGET Competition conducted at CBIT, 2019.
- Awarded **Certificate of Merit and prize money in 'Srushti 2k19'** (PPT) held at M.V.S.R College and participated in Innovators Challenge.
- Participated in of '**Internal Hackathon for Smart India Hackathon, 2020**' organized by MHRD-2020.
- Devoted service as **Student Wing Member and Volunteer for WithyouOrg NGO**
- Worked as Student Board Member for **Matrusri Orators Club**
