Summary

I'm a highly motivated and ambitious student with a passion for learning and personal growth. Throughout my academic journey, I have developed a strong work ethic to adapt to new challenges. My enthusiasm for problem-solving and creative thinking drives me to seek opportunities where I can apply my skills and make a positive impact.

Education

Kalasalingam Academy of Research and Education

Bachelor of Technology in Computer Science (CGPA: 8.48)

Expected May 2026

Virudhnagar, TamilNadu

Sri Vagdevi Junior College

MPC (MARKS: 942/1000)

2020-2022

Kodad ,Telangana

Sri Chaitanya

10th (GRADE: 10.0)

2019-2020

Kodad ,Telangana

Technical Skills

- **Programming Languages :** Python, Java, React
- **Database :** MySQL, MongoDB
- **FrameWorks :** Flask
- **Data analysis and visualisation :** Power-BI , Machine Learning
- **Version Control Tools and IDE :** Git, Github, Visual Studio Code, Google Colab, Streamlit, LangFlow

Projects

IMAGE CAPTION GENERATION — — [Live Demo](#)

- Developed an AI-powered image description tool using Google Gemini AI, Streamlit, and PIL for seamless image processing and analysis.
- Integrated multilingual support (20+ languages) and text-to-speech functionality using deep_translator and gTTS for global accessibility.
- Designed a responsive and visually appealing user interface with custom CSS, enhancing usability and overall user experience. [GITHUB](#)

TIC TAC TOE

- Developed a multiplayer web application using Flask (Python), MySQL, and JavaScript, featuring real-time turn management and win detection.
- Implemented user authentication (login/registration) with password hashing for secure access.
- Designed a MySQL schema to track players, games, and scores, optimizing queries for fast game state updates.
- Built a randomized computer opponent with turn-based logic for single-player mode. [GITHUB](#)

Achievements & Certificates

Achievements

- Solved 100+ DSA problems combined on LeetCode ,HackerRank and Codechef.
- 5-Star Python and 2-star SQL Badges on HackerRank.
- DataBase Management System CodeChef [Certificate](#).
- Design and Analysis of Algorithms CodeChef [Certificate](#).
